

Restore Hope is very grateful for the interest and encouragement it receives from its friends and supporters.

We greatly value the prayer support for the work of the charity but it is also possible to help fulfil the vision to realise the full potential of Restore Hope by providing financial support.

If you would like to support the work financially, please fill in this form which can be used to make a single gift or regular payments by standing order. For UK tax payers, signing the Gift Aid declaration will increase the value of donations to the charity by 25% at no additional cost to the donor.
